Friends of Second Wind,

Solomon, that sage of old, once said, "There is a time for everything, a season for every activity under heaven." I am writing to inform you that the leadership/membership has determined that it is time for Second Wind to close.

This action may come as a surprise to some but for those who have been participating in Second Wind, the Lord's leading was clear. After several years of struggling to stay afloat it was clearly time.

We rejoice in the 12 plus years the Lord allowed us to minister in the community and beyond. We rejoice in the lives that have been changed. We rejoice, without regret, the opportunity and the time we were given to proclaim the good news of our great God.

This coming Sunday I will be finishing our series on the book of Ruth. The following Sunday, October 22nd, at 6:00 pm, we invite anyone and everyone who has been a part of Second Wind at anytime to join us for a "Beef & Pork Buffet Dinner". We will celebrate God's goodness with feasting and fellowship followed by a short time of worship and communion. (If you can, please RSVP for the buffet by October 18th by emailing [secondwindefca@gmail.com](mailto:secondwindefca@gmail.com))

Thank you for your love, prayers, support, and service during our tenure. We hope you can join us on the 22nd!

In Christ,

Pastor Bruce Beebout
